

## **MATT HORNE**

---

### **Associate Director for British-Columbia**

#### **Pembina Institute**

Matt Horne is the Pembina Institute's associate director for British Columbia. Drawing on fifteen years of experience with energy and climate change issues, he is a leading voice on climate policy in Western Canada.

Mr. Horne was recently a member of B.C.'s Climate Leadership Team, which was tasked with providing the government recommendations on how to meet its climate targets while maintaining a strong economy.

Mr. Horne holds a Bachelor of Engineering from Dalhousie University and a Master of Resource and Environmental Management from Simon Fraser University.
